Frequently Asked Questions

General Questions

Q: Do I need to create an account to apply? A: No, the application form is publicly accessible. No account creation is required.

Q: Can I save my progress and continue later? A: Yes! Your progress is automatically saved in your browser. You can close the form and return later to continue.

Q: How long does it take to complete the form? A: Typically 15-30 minutes, depending on how much information you need to gather.

Q: Can I edit my application after submission? A: No, once submitted, you cannot edit the application. Contact the admissions office if you need to make changes.

Q: What if I make a mistake? A: You can go back to any previous step and edit information before submitting.

Contact Information Questions

Q: Why is my phone number showing as duplicate? A: The system checks if the phone number is already registered. If you've applied before or have an existing account, you'll see this warning. You can still proceed, but contact the admissions office if you believe this is an error.

Q: Why is my email showing as duplicate? A: Similar to phone numbers, the system checks for duplicate emails. If you've applied before, you'll see this warning. Contact the admissions office if needed.

Q: Can I use the same email for multiple children? A: Yes, you can use the same parent email for multiple applications.

Q: What if I find an existing parent record? A: You can select the existing parent record to auto-populate the form. This prevents duplicate parent records in the system.

Document Questions

Q: What documents are required? A: Required documents vary by grade level. The form will show you which documents are required based on your selected grade.

Q: Can I upload documents after submission? A: Yes, you can upload additional documents after submission using your application number.

Q: What if I don't have all required documents? A: You can submit the application and upload documents later. However, your application may not be processed until all required documents are received.

Q: What file formats are accepted? A: PDF, DOC, DOCX, JPG, JPEG, PNG, GIF, WEBP formats are accepted.

Q: What is the maximum file size? A: 10MB per file. If your file is larger, compress it or split it into multiple files.

Q: Can I upload multiple documents at once? A: Yes, you can select multiple files or drag multiple files at once.

Application Status Questions

Q: How do I track my application status? A: Use your application number to check status at: `/{school_code}/admissions/status?application_number=YOUR_NUMBER`

Q: When will I receive a decision? A: Processing time varies by school. You'll receive an email notification when a decision is made.

Q: What if I don't receive a confirmation email? A: Check your spam folder. If you still don't receive it, contact the admissions office with your application number.

Q: Can I apply for multiple children? A: Yes, submit a separate application for each child.

Technical Questions

Q: The form is not loading. What should I do? A:

- Check your internet connection
- Try refreshing the page
- Clear your browser cache
- Try a different browser
- Contact technical support

Q: I'm getting validation errors. What does this mean? A: Validation errors indicate that required fields are missing or have incorrect format. Check the error messages and fix the indicated fields.

Q: Can I use my mobile phone to fill the form? A: Yes, the form is mobile-responsive. However, a desktop or laptop is recommended for the best experience, especially for document uploads.

Q: What if the form times out? A: Your progress is saved automatically. Simply refresh the page and continue from where you left off.
